## K-STATE BASEBALL IS ON THE AIR

Brian Smoller

Matt Walters

Longtime associates of the baseball program, Matt Walters (23rd year) and Brian Smoller (20th year) will return in 2017 as the primary voices of the K-State baseball team.

Walters is a veteran of the airwaves, working for KMAN for 20 years and serving as host of the daily talk show, "The Game," and "Powercat Gameday," a pregame show for K-State football, before joining Commerce Bank as the Business Development Consultant/Vice President in July 2014. Walters has also served as the play-by-play voice of the Manhattan High School football team and still works select K-State women's basketball games. He also serves as the sideline reporter for K-State football broadcasts and the color analyst for a portion of the K-State basketball broadcasts on the K-State Sports Network. In 2012, he was named the Kansas Sportscaster of the Year by the National Sports-casters and Sportswriters Association (NSSA).

Smoller not only handles duties for baseball, but he has also been the play-by-play voice for K-State women's basketball for the past 12 years. A long-time voice at KMAN along with Walters, Smoller is in his 11th year at K-State as the Director of Powercat Vision/K-StateHD.TV. A 1999 K-State graduate, Smoller has won 16 Kansas Association of Broadcasters awards, including six first-place awards for play-by-play. In 2003, Smoller was named the Oscar Stauffer Sportscaster of the Year.

Catch all the excitement of K-State baseball on News Radio KMAN all season long. KMAN broadcasts can be heard on 1350 AM and 93.3 FM in Manhattan and the internet at both the KMAN website ([www.1350kman.com](http://www.1350kman.com)) and the official site of K-State Athletics ([www.k-statesports.com](http://www.k-statesports.com)) using the K-StateHD.TV feature. Walters and Smoller broadcast all Big 12 games, and all non-conference baseball games are scheduled to be broadcast either on KMAN or online at [www.k-statesports.com](http://www.k-statesports.com) for the fifth straight year. Mitch Fortner and John Kurtz will also call select games in 2017.

The Brad Hill Radio Show, hosted by Walters and Smoller, will air bi-weekly on KMAN from 6-7 pm. The Brad Hill TV Show airs five times this spring on K-StateHD.TV/FCS and is hosted by Smoller.

## BRAD HILL

HEAD COACH  
EMPORIA STATE, '85

14TH SEASON

Hard work and determination have fueled K-State baseball since Brad Hill was introduced as the 20th head coach in program history during the summer of 2003. And, in 13 years, the Kansas native has taken a program that was coming off six straight seasons of bottom-half Big 12 finishes and turned it into a national power.

During his time as the K-State skipper, Hill has guided the Wildcats from the depths of the league to four NCAA Regional appearances, a Super Regional berth and the first conference championship since 1933. The success, which reached an all-time high in 2013, is a continuation of a stellar career in which Hill has amassed a winning percentage of .662 (834-425-3) at four-year schools - the 10th-highest mark among active Division I coaches entering the 2017 season.

Hill has also had a keen eye on evaluating talent and then developing those players as 47 Wildcats since 2005 have been selected in the MLB Draft, including 29 that went undrafted out of high school. In each draft from 2008-15, three or more Wildcats have been taken, with five or more being selected in six of the last nine. Also over the last nine drafts, 13 Wildcats have been selected in the top 10 rounds, including pitchers Lucas Benenati (10th) in 2016 and Nate Griep (eighth) in 2015 as well as outfielders Ross Kivett (sixth) and Mitch Meyer (seventh) in 2014. In total, over the last 12 years, K-State has produced 56 selections in the MLB Draft.

K-State baseball players have also gained numerous national accolades under Hill's guidance. In the first 106 years of the program, the Wildcats accumulated 14 All-America designations, while K-State has produced 17 All-America honors in the last 10 seasons alone, including first team honors by A.J. Morris (2009) and James Allen (2011) and the most recent selection - Freshman All-American Josh Rolette in 2016.

Not only has K-State baseball excelled on the field, but Hill has put an emphasis on his players' performance in the classroom. Under Hill, the Cats have had 78 Academic All-Big 12 selections as well as eight Academic All-District honors and two Academic All-Americans (Brett Scott in 2007 and 2008; Jason King in 2011). In addition, K-State's Academic Progress Rate (APR) has steadily improved, now reflecting an outstanding four-year average of 954.

The Wildcats returned to the Big 12 Baseball Championship in 2016 after an eighth-place finish in the conference and 26-29 mark in the overall regular season (final record: 26-31). K-State, which featured 17 newcomers, earned notable series wins against Utah, Milwaukee, Nebraska, West Virginia and KU. In total, K-State accumulated three victories against teams that reached the NCAA postseason.

On an individual level, junior Jake Scudder and senior Clayton Dalrymple powered the Wildcat offense in 2016 as Scudder led the team in batting average (.333), home runs (7), RBI (45) and doubles (15) while Dalrymple was the team leader in hits (74), stolen bases (16), and on-base percentage (.414). The first baseman and outfielder were named All-Big 12 along with Josh Rolette.

Coming off an unprecedented run in 2013 that carried with it preseason expectations never seen at K-State, the Wildcats finished 2014 with a 25-30 record and saw their seven-year run of reaching the Big 12 Championship Tournament come to an end. K-State did have several highlights during the 2014 campaign, however, including a 12-game winning streak in late February through mid-March, a streak that was the second-longest in program history. The Wildcats were also 16-9 at home, including 13-1 against nonconference opponents, and a pair of seniors, Kivett and RJ Santigate, were named to the ABCA Midwest All-Region Team. Both Kivett and Santigate (undrafted free agent with the Los Angeles Angels) were among four Wildcats who went on to play professionally after the end of the season.

While the 2014 season fell short of expectations, the 2013 season proved to be the most storied in program history. Hill's players formed a unity unlike any other team early in fall camp and used that resilient togetherness to produce the school record for wins, the program's first Big 12 Championship and a NCAA Regional host site selection. The year culminated with the Wildcats finishing just one win shy of reaching the College World Series.

K-State, which was predicted to finish seventh in the 2013 Big 12 Preseason Coaches' Poll, made the biggest jump by a regular-season champion in league

history as the Wildcats broke the school record for conference victories with 16. Teamed with the football and men's basketball titles in 2012-13, the baseball team completed a feat of conference championships in one academic year that had only been accomplished one other time in Big 12 history and just three other times nationally during the BCS era.

K-State, which set a school record for final ranking at 13th, used the Big 12 Championship and momentum in the conference tournament to secure a No. 1 seed in the NCAA Tournament. The Wildcats, who were making just their fourth ever NCAA Regional appearance, swept the NCAA Manhattan Regional with wins over in-state rival Wichita State, Bryant and 13th-ranked Arkansas. Hill, who was named the 2013 Big 12 Coach of the Year and ABCA Midwest Region Coach of the Year, saw a school-record seven players earn All-Big 12 First Team honors, including Player of the Year Ross Kivett, Freshman of the Year Jake Matthys and Co-Scholar Athlete of the Year Jared King. Both Kivett and King went on to earn All-America accolades as well.

Hill got the most out of his team when it counted the most in 2012 as he led the Wildcats to the postseason for the sixth-straight season. K-State won its way to the Big 12 Championship as it took two-of-three from Kansas in the home finale before winning the first two games in the regular-season series finale at Texas Tech - just the third series win in Lubbock in school history. Additionally, Hill tutored at least three players to All-Big 12 honors for a third-consecutive season, while K-State placed seven on the Academic All-Big 12 squad, which tied the then-school record.

Although K-State reached another NCAA Regional in 2011, the beginning of the season did not go as planned for Hill and K-State as they were on the outside looking in when it came to qualifying for even the conference championship. After sitting at 20-15 overall and 5-10 in conference play, the Wildcats needed a strong finish just to make the conference tournament. That is exactly what happened as Hill led the Wildcats to a 16-8 finish in their final 22 games, including a 7-4 mark against league foes to place sixth in the Big 12 and qualify for their fifth-straight conference championship.

Hill's coaching and motivation did not stop there as, at the Big 12 Championship, K-State defeated No. 12 Oklahoma twice to compile 36 wins and earn the program's third-straight NCAA tournament berth.

While many preseason prognosticators doubted the 2010 Wildcats, Hill raised the bar of success at K-State. The Cats continued their trend of improvement in 2010 as he guided his team to a third-place finish in the Big 12 standings - their highest since the league's inception in 1997, after K-State was predicted to finish as low as ninth in some Big 12 preseason polls.

K-State also registered the third most wins in school history with 37, behind the 2009 (43) and 2013 (45), thanks in part to six players that earned All-Big 12 honors under Hill, including the 2010 Big 12 Player of the Year Nick Martini. Hill also tutored Martini to second team All-American honors.

The 2009 season proved to be the most storied of its time. Predicted to finish ninth in the Big 12 coaches poll, Hill guided K-State to a then-school record 43-win season - including 14 conference victories to finish fourth in the Big 12 regular season standings, the school's best finish since placing second in the Big Eight in 1990. The Cats earned their first Top 10 ranking during the season and finished the 2009 campaign in the national polls for the first time in school history when Baseball America ranked K-State No. 19 in its final poll.

Hill, who garnered 2009 Big 12 Coach of the Year and ABCA Midwest Region Coach of the Year honors for the first time in his career, directed K-State to its first ever NCAA Regional appearance when the Cats earned an at-large berth as the No. 2 seed in the Houston (Rice) Regional. The Cats went on to tally a pair of victories in the regional, including one against No. 1 seed and home team Rice, to advance to the regional final.

Along the way, the 2009 Wildcats set numerous school marks, including season wins (43), Big 12 victories (14), Big 12 finish (fourth), hits (675), stolen bases (149) and strikeouts (453).

Hill also tutored consensus All-American and Big 12 Pitcher of the Year A.J. Morris, two freshman All-Americans in James Allen and Nick Martini, and a

total of seven All-Big 12 performers. Four Wildcats also earned First Team Academic All-Big 12 honors, while Jason King and Thomas Rooke were named Academic All-District.

Following the conclusion of the 2009 season, five Wildcats were selected in the Major League Baseball Draft, including fourth-round draftee, A.J. Morris. Reaching four NCAA Regionals took years of hard work by the Wildcats, but the early signs of K-State potentially reaching national prominence under Hill's direction surfaced within his first year on the job. In 2004, Hill jumped out of the gate and led the Wildcats to a 19-6 record in his first 25 games, including wins over perennial national powers Ohio State and Alabama and 2003 College World Series participant Missouri State. K-State also garnered its first-ever national ranking at No. 30 during that span, which included an 11-game winning streak.

Then, in 2005, the Wildcats took the next step as they won 30 games in a season for just the 10th time ever, doubled their conference wins from the previous season, swept a season series from in-state rival Wichita State for the first time in 50 years and knocked off a No. 1-ranked team for the first time in school history, eventual national champion Texas.

In 2006, the Wildcats won a school-record 16 straight games and also ended the season on a five-game winning streak, wrapping up the season with a sweep of No. 22 Baylor at Tointon Stadium. Statistically, K-State finished the season in the top half of the league in both hitting (.314) and ERA (3.94). The 3.94 team ERA was the lowest since the 1975 season and the best since the addition of aluminum bats in college baseball.

The 2007 campaign saw K-State finish with a 34-24 overall record, one win shy of tying the single-season mark, while the Wildcats advanced to postseason play for the first time since 2002. The Cats won 30 games for the third-straight season and also collected 10 wins in league play, the most since winning 13 in 2002. Hill also guided Wildcat closer Daniel Edwards to third-team all-American honors, just the ninth Wildcat to earn All-American honors of any kind and the first since Kasey Weisaar in 1999.

The 2008 Wildcats, fielding a roster of 16 juniors and seniors, entered the season looking to become the first team in school history to reach the NCAA Tournament. K-State dropped early season contests, but started to catch a groove in the second half of the season as they won two-of-three against No. 22 Oklahoma State, topped No. 11 UC-Irvine in a dramatic 11-inning affair, defeated No. 25 Texas, won at No. 8 Wichita State, and edged one of the top teams in 2008, No. 3 Arizona State, in its final non-conference game of the season.

In conference play, the Wildcats finished the 2008 season with 11 wins to tie for sixth, the most wins and the best finish at that point since 2002. Down the stretch, K-State won four of its final six conference games, including a sweep of in-state rival Kansas. The end of the season is all K-State needed for a boost in the conference tournament. Under the tutelage of Hill, the Cats defeated No. 6 Oklahoma State and Baylor to advance to the school's first Big 12 Title Game. Although K-State was defeated by No. 24 Texas, everyone involved with the program could see just how far the Wildcat baseball program had come in such a short time.

Hill came to Kansas State, which just had one winning season from 1998-2003, after guiding Division II Central Missouri State (now the University of Central Missouri) to an impressive 418-91 (.821) overall record during his tenure. A seven-time Central Region Coach of the Year, he led UCM to the NCAA Tournament in each of his nine seasons, including seven trips to the College

World Series.

Hill capped his career at Central Missouri by helping the Mules win its second national championship in baseball and first since 1994. For his efforts, he was named the 2003 NCAA Division II National Coach of the Year and College Coach of the Year by the Midwest Professional Baseball Scouts Association. It marked the second time in three seasons that Hill coached the Mules to the championship game.

The national championship in 2003 came on the heels of back-to-back record-breaking years by Central Missouri in 2001 and 2002. The Mules posted a then school-record 53 wins in 2001 en route to advancing to their first championship game under Hill where they lost to St. Mary's of Texas by a score of 11-3. A year later in 2002, he broke the school record for wins yet again by posting 54 en route to a third place finish at the College World Series. The Mules' winning percentage of .838 (290-56) over six seasons (1998-2003) ranked among the best in the nation.

Hill's .821 winning percentage ranks second in CMSU baseball history, a mere two points behind current Arkansas head coach Dave Van Horn, who went 51-11 in his one season as coach in 1994. With 481 wins, Hill is the all-time winningest coach in school history with 170 more victories than the coach in second place, his former assistant Tom Myers (311, 2008-14).

Hill has a career head coaching record of 781-364-3 in 20 years at four-year schools, which includes 11 seasons in Manhattan and nine years at Central Missouri State. His teams have won 40 or more games 11 times and 50-plus games on four occasions.

Under Hill's guidance, a number of Central Missouri players earned national acclaim. He has seen 22 of his players earn All-America distinction as a first, second or third team selection, including 10 first-team honorees. Hill coached at least two All-Americans in eight of his nine seasons at Central, including four each in 2001 and 2002. He coached one National Player of the Year in 2001 recipient, Chris Umphres, and back-to-back national defensive players of the year (Chris Curry in 2000 and Umphres in 2001). Hill also helped five individuals earn Central Region Player and Pitcher of the Year accolades, including three Players of the Year. His influence extends off the field as well, as four players earned Verizon/CoSIDA Academic All-American honors.

The Mules dominated the Mid-American Athletic Association (MIAA) during Hill's tenure, winning eight conference titles and posting a 198-17 (.921) league mark. The seven-time conference coach of the year coached six league most valuable players, two freshman of the year and one pitcher of the year. In all, 43 players have earned First Team All-MIAA honors under Hill.

In each of Hill's last six seasons leading the Mules, Central Missouri led the MIAA in batting average, ERA and fielding percentage. In 2003, the Mules not only led the league in all three categories, but also ranked in the top 10 nationally in the NCAA. CMSU ranked second in Division II in batting average (.363), fourth in scoring (9.7 runs/game), seventh in ERA (3.14) and 10th in fielding percentage (.968).

Before heading to Central Missouri in 1995, Hill was an assistant coach at the University of Kansas for four seasons under his college coach, Dave Bingham. As the Jayhawks' hitting coach and recruiting coordinator from 1991-94, he helped Kansas to a 144-92 overall record and a pair of NCAA Tournament appearances, including the school's first and only trip to the College World Series in 1993. The 1993 team broke school records for most hits, doubles, triples, home runs and stolen bases in a single-season. Of note, the Jayhawks posted a 10-7 record against the Wildcats during Hill's tenure in Lawrence.

Prior to joining the Kansas coaching staff, Hill was the head coach at Hutchinson Community College in Hutchinson, Kansas, for three seasons from 1988-90, compiling an 83-50 overall record. His 1989 squad posted a school-record 34 wins, while in 1990 the Dragons registered the highest winning percentage in school history with a 32-9 mark (.781).

Hill graduated from Emporia State in 1985 with a Bachelor's of Science degree in health and physical education. He was a four-time NAIA All-America selection for Bingham and the Hornets from 1981-84. Hill capped off his stellar four-year career by helping ESU to the 1984 NAIA College World Series. For his efforts, he was named a second team All-American and the ESU Student-Athlete of the Year. A 1993 inductee into the ESU Athletic Hall of Honor, Hill still owns a majority of the Hornets' career offensive marks, including games played (244), at-bats (809), hits (302), runs scored (241), RBIs (264), doubles (71) and home runs (47).

Following his collegiate playing career, Hill spent four seasons in the Texas Rangers' minor league system before entering the coaching profession.

Hill has been inducted into several Hall of Fames throughout his career, including the Mid-America Intercollegiate Athletics Association (MIAA), Emporia State, Central Missouri State, and Kansas Babe Ruth Leagues.

A native of Galva, Kansas, Hill is a 1980 graduate of Canton-Galva High School where he was a three-sport athlete.

Hill and his wife, Crystal, have three children: sons Skylar Southards and Harrison, and daughter Shelby.

## MITCH GASPARD

ASSOCIATE HEAD COACH/  
OFFENSIVE COORDINATOR  
LOUISIANA-LAFAYETTE, '88

1ST SEASON

Gaspard comes to K-State after serving as the head coach at Alabama from 2010-16, where he posted a record of 234-193 (.548) in his seven seasons in Tuscaloosa.

Gaspard's resume also includes a head coaching stint at Northwestern State (2002-07), while he has been an assistant coach at Houston (1988), Louisiana (1989-92), Northwestern State (1993-94) and Alabama (1995-2001, 2008-09).

Boasting a career head coaching record of 439-326 (.574), Gaspard led UA to consecutive NCAA Regional appearances on two occasions in 2010 and 2011, and again in 2013 and 2014. His 2010 squad won 42 games and advanced to a Super Regional, finishing just one victory shy of the College World Series. The Crimson Tide also advanced to the championship game of the NCAA Tallahassee Regional in 2011 and 2014.

Gaspard received his first head coaching opportunity in 2002 at Northwestern State and hit the ground running, accumulating a 210-138 (.603) record in six seasons and winning a pair of Southland Conference championships, one SLC Tournament championship and a berth in the 2005 NCAA Baton Rouge Regional.

Gaspard's head coaching opportunities have come due to his hard work as an assistant and chief recruiter. As an assistant, Gaspard has been a part of five conference championship teams, 11 NCAA Regional squads, one conference tournament championship and three College World Series berths. As both an assistant and head coach, Gaspard has been in the dugout for more than 2,000 games and his teams have compiled a 1,280-718-3 (.640) record.

During Gaspard's time as an assistant at Alabama from 1995-2001 and again from 2008-09, the Crimson Tide won the 1995 SEC Tournament and finished one victory shy of the College World Series. Throughout the rest of his first tenure in Tuscaloosa, Gaspard helped UA earn six NCAA Regional appearances and three CWS berths, including a national championship game loss to LSU in 1997. He came back in 2008 and helped UA to another regional showing in 2009 before taking over the program prior to the 2010 season.

Gaspard has also been proven to be an accomplished talent evaluator, from 1995-2001 as Alabama's chief recruiter, the Crimson Tide's recruiting classes ranked in the top-20 nationally five times, including three straight top-10 classes according to Baseball America and Collegiate Baseball.

Although he may be an accomplished recruiter, Gaspard has been equally successful in developing talent as his career record has shown, but he has also coached players to a combined 77 draft picks in his 29 years, including 25 that were selected in the top 10 rounds of the MLB Draft.

Gaspard began his collegiate playing career for the legendary Skip Bertman as LSU before transferring to Houston. Born on May 26, 1965, Gaspard is married to the former Kim Howell, and the couple has two daughters, Brae and Paeton.

## TYLER KINCAID

PITCHING COACH

SAN FRANCISCO STATE, '01

2ND SEASON

An experienced coach with a proven track record of developing pitchers, Kincaid was hired by K-State in September 2015 after 16 years of coaching in California, including 14 at the collegiate level.

In his first season in Manhattan, Kincaid saw Wildcat right-hander Lucas Benenati selected in the 10th round of the 2016 MLB Draft by the Cincinnati Reds. In his senior season, Benenati was the team leader with six saves in eight opportunities, including going 4-for-4 in his final four save opportunities.

Overall, the K-State pitching staff that finished third in program history for total strikeouts in a single season with 440. The staff also combined to toss a pair of shutouts in Kincaid's initial campaign, including a 1-0 win over UC Riverside in the season opener.

Kincaid established an impressive resume in the Golden State, rising from high school to the Division I level. For six seasons prior to joining K-State, the California native was the pitching coach at the University of San Diego, helping the program win two West Coast Conference (WCC) regular-season titles, capture one WCC Tournament championship and make three NCAA Regional appearances.

Kincaid gained a reputation as a strong recruiter and fine developer of pitchers. At USD, he helped 21 pitchers get selected in the MLB First-Year Player Draft, including 12 that were undrafted out of high school and/or junior college and seven taken in the top-10 rounds. From 2012-15, at least three pitchers from the San Diego pitching staff were drafted, with eight total over the last two seasons and six undrafted out of high school.

From a recruiting standpoint, Kincaid helped bring in two top-five nationally-ranked recruiting classes, including the second-ranked crop of incoming players in 2011. The 2014 recruiting class, meanwhile, was slotted as the fourth-best by Collegiate Baseball.

In Kincaid's final season with the Toreros in 2015, San Diego won its sixth WCC regular season championship in program history behind a pitching staff that posted a 3.29 ERA in conference play. Kincaid helped groom David Hill into the WCC Pitcher of the Year and an All-American as the right-hander finished 14th in the country in strikeouts. As a team, the Toreros were 27th in the nation in strikeouts per nine innings.

Hill was one of two WCC Pitcher of the Year award winners and four All-Americans Kincaid helped develop at San Diego. In 2010, Kyle Blair became the first Torero hurler under Kincaid's watch to earn the top pitching honor in the conference. Michael Wagner (2013) and two-way player Louie Lechich (2014) join Blair and Hill as the quartet of All-Americans.

Also, Kincaid's San Diego pitching staffs earned 15 All-WCC honors and two Freshman All-WCC selections in the half-dozen seasons. While the entire weekend rotation - Blair, A.J. Griffin and Sammy Solis - picked up first team honors in 2010, a pair of twirlers, Hill and P.J. Conlon, were all-conference first team selections in 2015.

The 2010 San Diego pitching staff was stellar, providing Kincaid a group to remember in his first season on Alcalá Park. Solis, who reached the Majors with the Washington Nationals, and Blair were drafted in the second and fourth rounds, respectively, after helping the Toreros finish 38th in the country in team ERA. Fellow weekend stalwart, Griffin, went on to be drafted in the 13th round and has pitched in the Majors for the Oakland A's.

The 2012 season saw Kincaid return the Toreros to the top-50 in the country in team ERA as San Diego, led by All-WCC performers Paul Sewald, James Pazos and Wagner, was 41st in the country with a 3.35 mark. That year, the Toreros advanced to the first of back-to-back NCAA Regionals.

In 2013, San Diego advanced to the Los Angeles Regional Championship before losing to eventual national champion, UCLA. Despite falling narrowly short of the program's first NCAA Super Regional, Kincaid helped Conlon earn freshman All-America status and All-WCC First Team accolades. In addition, four pitchers were selected in the MLB Draft.

The 2014 Torero pitching staff posted its second-lowest team ERA (3.41) in

#### A MODEL INTERCOLLEGIATE ATHLETICS PROGRAM

- A world-class student-athlete experience.
- Value to our University, community and state.
- Integrity and transparency in matters of ethics, finance and NCAA compliance.
- Championship athletic performances.
- The best fan experience in the Big 12 Conference.

Since John Curry's introduction as director of athletics in May 2009, K-State has experienced a tremendous turnaround, unprecedented athletic and academic accomplishments and perhaps the most successful seven-year period in department history. Driving toward the vision of a Model Intercollegiate Athletics Program, Curry's rebuilt senior leadership team turned an inherited deficit into national acclaim as one of the NCAA's most financially solvent programs and by August 2016 will have completed \$210 million in comprehensive facility improvements benefitting all 16 Wildcat teams, including the Vanier Family Football Complex, West Stadium Center, Basketball Training Facility, Intercollegiate Rowing Facility, Mike Goss Tennis Stadium and soccer competition/football practice fields, all privately funded with zero state tax or university tuition dollars.

Curry leads one of the most productive and efficient programs in the country, and his seven-year tenure has included team Big 12 Championships in football (2012), men's basketball (2013) and baseball (2013), 16 team NCAA tournament appearances in men's and women's basketball, volleyball and baseball, and 50 individual Big 12 and nine individual NCAA Championships. K-State student-athletes have shined academically as well, with three sports, including football, currently leading the Big 12 in APR rating and an all-sports graduation rate exceeding that of the general student body. Record attendance across all sports, including a current streak of 27 consecutive football sellouts, and careful stewardship help provide a tremendous home-field advantage for 450 Wildcat student-athletes, while adding value to the university, community and state as the only university in Kansas and one of just two dozen nationally to operate in the black without any state tax or university tuition dollars or subsidies.

Athletically, Curry's tenure has been marked by across the board success including a 2015-16 year that saw K-State football participate in its sixth straight bowl game and volleyball advance to the NCAA Tournament for the fourth time in five years. Highlighted by three NCAA Champions in track and field, the women's team went on to finish tied for seventh at the NCAA Outdoor Championships and eighth at the national indoor meet while also finishing third both indoor and outdoor at this year's Big 12 Championships. Also, a total of eight track and field student-athletes claimed a total of 12 individual Big 12 Championships in 2015-16, while Jeff Mittie's second year at the helm of the women's basketball program saw the Wildcats return to the NCAA Tournament for the first time in four years. The 2012-13 campaign was also one for the ages as K-State became just the fourth BCS school since 1998 to win league titles in football, men's basketball and baseball the same year, while K-State has held a 52-39 record since 2009 in head-to-head competition against in-state rival KU.

With the tag line of "Welcome to K-State" symbolizing the goal of providing The Best Fan Experience in the Big 12, K-State's marketing and fundraising efforts have been completely overhauled in Curry's tenure. K-State supporters have pushed attendance to new heights, while more than \$200 million in total gifts have been raised for K-State Athletics in Curry's seven years. Meanwhile, history was made as Curry and his staff worked hand in hand with then-President Kirk Schulz and the KSU Foundation to secure the largest individual donation in university history, a \$60 million gift benefitting various academic and athletic initiatives, while the department reached its \$50 million private gifts goal for the new Vanier Football Complex in just 13 months. Curry's award-winning Fan Experience staff, which was named the national 2014 NACMA Marketing Team of the Year, has created new ticket initiatives that have led to 36 sellout crowds since 2009 at Bill Snyder Family Stadium - named in 2016 as one of five national finalists for the prestigious SportsBusiness Journal Sports Facility of the Year award - including a current streak of 27 straight.

The recipient of the 2013 Bobby Dodd AD Award and a 2013 Under Armour AD of the Year, Curry served as chair of the Big 12 ADs in 2013-14 and is a member of the NCAA Division I Administrative Cabinet. He was one of only two intercollegiate ADs named to SportsBusiness Journal's 2011 prestigious Forty Under 40 list of national sports leaders.

#### K-STATE'S HIGHLIGHTS UNDER CURRIE

- All programs remain above the NCAA .930 APR standard with eight teams leading the Big 12 in last two years.
- In the past seven years, 137 student-athletes have earned All-American distinction, while Wildcats have won nine NCAA individual titles and 50 Big 12 titles.
- Brand new facilities include the Vanier Football Complex and West Stadium Center, Basketball Training Facility, Intercollegiate Rowing Center, Mike Goss Tennis Stadium and the soccer competition/football practice facility.
- Fundraising has been completely overhauled with more than \$200 million in cash contributions raised for athletics in seven years as the department has raised more money over that period than it had in the previous 48 years combined.
- FY14's cash contributions total of \$46 million almost quadrupled the annual total prior to Curry's arrival and was the third highest nationally behind Texas A&M and Michigan.
- Operated with a budget surplus in each of the last seven years, allowing for annual investments and budget growth from \$44 million to \$73 million.
- K-State donors have stepped up with 27 private gifts in excess of \$1 million since fall 2009, while grassroots Ahearn Fund membership has reached all 50 states.
- Implemented a complete phase-out of direct university funding as a source of revenue, enabling K-State to redirect those funds to critical academic needs.
- New ticket initiatives have led to 36 football sellouts since 2009, including a streak of 27 straight heading into 2016.
- Also have set new season total and average attendance records in baseball while selling a record number of season tickets for volleyball and baseball.
- Hired 300-game winner Bruce Weber as the head MBB coach, who captured Big 12 Coach of the Year honors in his first season while leading the Cats to their first conference title in 30 years, while recent hires of veteran head coaches Jeff Mittie (WBB), Grant Robbins (MGolf), Ryun Godfrey (CC) and Danielle Steinberg (WTEN) have brought instant credibility and national recognition.

# 2016 REVIEW

**AT THE PLATE**

K-State concluded the 2016 season with its ninth trip over the last 10 years to the Phillips 66 Big 12 Baseball Championship ... The Wildcats ended with a 26-31 record and 8-16 mark in the Big 12 - which placed them in eighth in the regular season standings ... K-State was forced to bounce back from a 0-8 start to the Big 12 schedule - as part of a 2-13 stretch from March 18-April 9 - by winning 13 of its 20 games through mid-May to insert itself into the conference postseason tournament ... Three Wildcats earned All-Big 12 honors, highlighted by Big 12 Newcomer of the Year Jake Scudder, while the team as a whole experienced gains in pitching and offense from the previous season.

**OFFENSIVE LANGUAGE**

The K-State offense experienced gains in nearly all of the major statistical categories compared to 2015 ... The Wildcats hit .284, which was up 25 points from last season and their highest team batting average since 2013 (.322) ... K-State also averaged its most runs per game (5.9) since 2013 (6.4) ... In other categories, the Wildcats had 550 hits (2015: 484), 101 doubles (69), 30 home runs (8) and 300 RBI (260).

**BIG 12 RANKS**

K-State was one of the Big 12's top offenses as its .284 team batting average in overall games was fourth best in the league while the .372 OBP and .400 SLG were both fifth ... In conference-only games, the Wildcats finished third in team batting average (.284), fourth in OBP (.363) and fourth in SLG (.412) ... It was the first time K-State finished in the top-four in all three categories for conference-only games since 2013.

**ON THE PITCH**

From a pitching perspective, the K-State hurlers registered the most strikeouts for the program since 2011 with 440 ... It was also the first time K-State had 400+ strikeouts in a season since 2012 ... The Wildcats averaged 7.9 strikeouts per 9 innings, which was the best mark for the team since 1976 (8.2) ... Also, Wildcat pitchers held opponents to a .279 batting average against - their best clip against since 2013 (.262) - and turned in a 5.06 ERA - which is 8th best in program history during the aluminum bat era (since 1977).

**K MART**

The K-State pitching staff finished the regular season with 428 strikeouts, matching the program record for most in a regular season (Last: 1997) ... The Wildcats' 428 punchouts were third most among Big 12 teams.

**NEW KID ON THE BLOCK**

Jake Scudder, in his first season as a Wildcat after transferring from Iowa Western CC, became the first K-State player to earn Big 12 Newcomer of the Year ... The award was voted on by the conference's coaches ... Scudder is the sixth different Wildcat in program history to earn an individual end-of-the-year conference award and first since Ross Kivett (Player) and Jake Matthys (Freshman) in 2013.

**FRESHMAN ALL-AMERICAN**

Josh Rolette, who led K-State in conference home runs and played in all but one game for the Wildcats, was named a Louisville Slugger Freshman All-American by Collegiate Baseball newspaper ... Rolette was the first Freshman All-American for K-State since Jake Matthys in 2013 and eighth in program history.

**ALL-BIG 12 HONORS**

A trio of Wildcats garnered All-Big 12 honors following the regular season, led by senior outfielder Clayton Dalrymple who earned first team honors ... Jake Scudder was named All-Big 12 Second Team while Josh Rolette was tabbed All-Big 12 Honorable Mention and All-Big 12 Freshman Team ... Dalrymple was the first Wildcat since Tanner Witt in 2013 to pick up his first career All-Big 12 honor as a senior ... Rolette was the first K-State freshman to earn at least All-Big 12 Honorable Mention since Jake Matthys in 2013 ... Scudder was the first Wildcat newcomer to earn All-Big 12 honors since Matthys in 2013.

**AWARD CABINET**

In addition to the 3 All-Big 12 honors, the Wildcats picked up 4 Big 12 player of the week awards and 7 Academic All-Big 12 accolades ... Tyler Moore was also the first Wildcat to be named to the Johnny Bench Award Watch List (nation's top catcher) since 2014.

**POWER SUPPLY**

After a program-low eight home runs in 2015, K-State broke out for 30 homers this year, its most in a season since 2011 ... The 30 roundtrippers were K-State's second most in a season during the BBCOR era (35 in 2011) ... Eleven different Wildcats hit a home run, the most for K-State since 2011 when it also had 11.

**70 AND UP CLUB**

The Wildcats' 440 strikeouts were helped by Levi MaVorhis and Parker Rigler, who both had 70+ punchouts this year ... It was the first time since 2011 that two K-State pitchers had 70+ strikeouts (Kyle Hunter, 80; Matt Applegate, 77) ... MaVorhis' 76 strikeouts were the most by a Wildcat since Kayvon Bahramzadeh had 79 in 2012 ... Through the regular season,

MaVorhis was fifth among Big 12 pitchers in strikeouts while Rigler was tied for seventh.

**CONFERENCE LEADER**

Jake Scudder finished the Big 12 season pacing the league in conference-only hitting ... He was the only Big 12 hitter to bat above .400 as he turned in a .407 clip (37-for-91) over 24 games ... The junior is the first Wildcat to lead the Big 12 in conference-only average since Austin Fisher in 2013 (.412) ... The Iowa Western CC transfer also tied for the conference lead in hits, making him the first Big 12 hitter to lead the league in both conference-only batting average and hits since Erich Weiss of Texas in 2011 (.410 AVG, 41 hits).

**JUCO FEAT**

For overall games, Jake Scudder led K-State in the Triple Crown categories (AVG, HR and RBI), making him the first junior college transfer to do that since Joe Goedert in 1981 ... Scudder hit .333 with 7 home runs and 45 RBI ... He was also the first junior college transfer with 40+ RBI for K-State since Kent Urban had 41 in 2010.

**FIRST YEAR HOMERS**

Josh Rolette hit six home runs, which were the most by a K-State freshman since Jared King (8) in 2011 ... Five of Rolette's six homers were in Big 12 play, which were the most by a Wildcat freshman in conference games since Brett Reid had five in 1999 ... Reid's five homers are the most ever by a Wildcat freshman in conference games during the Big 12 era (since 1997).

**FRESHMAN YEAR TO REMEMBER**

Beyond the home runs, Josh Rolette also has 62 hits and 34 RBI ... He is the first Wildcat freshman since Nick Martini (78 hits, 50 RBI in 2009) with 60+ hits and 30+ RBI in a single season ... Rolette's 60 hits, 34 RBI and 93 total bases were all the most by a K-State freshman since Martini ... In 2009, Martini totaled 111 bases - a program record for K-State freshmen ... Rolette's 13 doubles were the most by a Wildcat freshman since Blair DeBord had 13 in 2010 ... The 62 hits were the third-most by a K-State freshman over the last 60 years.

**Q SHOT**

Quintin Crandall, who started the season 7-for-50 with no extra-base hits in the first 26 games, finished the season batting .357 (30-for-84) with 6 doubles, 3 triples, 2 home runs and 17 RBI over his final 26 contests ... He led K-State in hitting over the last 26 games ... Crandall started 26 straight games to end the season

**900 WINS**

Brad Hill registered his 900th career win as a head coach on March 12 ... Hill, in his 25th season as a head coach, accumulated 83 wins at Hutchinson CC (1988-90), 418 at Division II Central Missouri State (1995-2003) and 416 at K-State ... Hill also became just the second K-State coach to notch 400 wins at the school (Mike Clark, 435 from 1987-2003) as he achieved the feat on March 13.

**OFFENSIVE OUTBURST**

K-State scored 15 or more runs in 3 straight games from February 28-March 5, a first for the program since 1996 ... The Wildcats scored 20 against Utah on February 28, 18 against UAPB on March 4, and 15 on March 5 ... K-State also had 17 hits from February 28-March 5 ... It was the first time K-State had 17+ hits in 3 straight games since 1997.

**LEVI'S DOZEN**

On March 13, Levi MaVorhis struck out a career-high 12 and walked none in a scoreless 7 innings ... The 12 strikeouts were the most by a Wildcat pitcher since Matt Applegate had 12 on May 14, 2011 ... MaVorhis also became the first K-State pitcher to have 10+ strikeouts and no walks in an appearance since Adam Cowart on February 26, 2005 (10 K, 0 BB) ... MaVorhis became the seventh K-State hurler since 2000 to have 12+ strikeouts in a game - and the only one of that group to not walk any batters.

**YOUTH MOVEMENT**

K-State utilized 13 freshmen, its most ever under head coach Brad Hill (since 2004) ... The previous most for freshmen played in a single season under Hill was 12 in 2009 (also in 2006) ... The six freshman position players were the most for K-State since 2011 (6) while the eight pitchers were the most under Hill (previous: 7, 2014) ... Cory Wright was the lone two-way player.

**MLB DRAFT**

Two seniors - Lucas Benenati and Tyler Wolfe - as well as one signee - Cole Duensing - were selected in the 2016 MLB Draft ... Benenati was taken in the 10th round by the Cincinnati Reds while Wolfe was selected in the 39th round by the Houston Astros ... Duensing was drafted by the Los Angeles Angels in the sixth round ... With the help of Benenati, a Wildcat has been drafted in the top-10 rounds of the MLB Draft in four consecutive seasons and in eight of the last nine ... It marked the 13th straight season a Wildcat was taken in the MLB Draft, the longest such streak in program history ... Duensing, an incoming freshman out of Blue Valley HS (KS), was the highest drafted K-State signee since Willie Calhoun was taken in the third round in 2015.

**BIG 12 CONFERENCE**

The Big 12 begins its 21st year in 2016-17 as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of fifth-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 20 years. Since it began competition in 1996-97, the league can boast of 57 NCAA team titles and 625 (through June 15) individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 continued the "State of Collegiate Athletics" forums in 2015-16 with Dallas serving as the site for a November 2015 event.

The Conference had a banner year on the national stage in 2015-16. Two teams competed in 2015 College Football Playoff New Year's Bowls for the second consecutive season. Oklahoma made the Conference's first appearance in the CFP semifinals in 2015, the second year of the structure, while OU men's basketball advanced to the Final Four. Other highlights included national championships by Texas men's swimming and diving and Oklahoma women's gymnastics and softball. National runner-up finishes were recorded by Texas volleyball, Oklahoma State wrestling, TCU equestrian, Texas men's golf, Oklahoma men's tennis and Oklahoma State women's tennis. Three Big 12 squads were among the eight teams that advanced to baseball's College World Series.

The Big 12 lays claim to five Heisman Trophy winners since 1996 and has had a finalist in 12 of its seasons. Twenty-five major individual awards have been won by Big 12 student-athletes in football over the past seven campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition. West Virginia soccer standout Kadeisha Buchanan earned the Hyundai Young Player Award at the 2015 World Cup while playing for her native Canada, given to the player born in 1995 or later that made the biggest impression in the competition.

Through its first 20 years, the Big 12 has claimed a team national championship in 17 of the sports it sponsors. The Conference finished the BCS era ranked tied for second with seven appearances in the National Championship Game. The league has finished in the top two of women's basketball conference RPI in nine of the last 10 years and sent at least 70 percent of its teams to postseason for the seventh-straight season. In men's basketball, the league has had seven teams earn NCAA bids four times in the past seven years. Every coach has guided a team to the NCAA Tournament - including five that have led teams to the Final Four - while seven boast career win percentages of .700 or higher. During the last 12 years a total of 36 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including 19 consecutive seasons.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Gabe Ikard (Oklahoma) was presented the NCAA Today's Top 10 Award in January 2015. It recognizes former student-athletes for their

successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 11 honorees for this prestigious award. In the last five seasons, nine student-athletes were recipients of the NCAA Elite 90 Award with volleyball's Janae Hall (Kansas), men's basketball's C.J. Cole (Oklahoma), women's golf's Laura Lonardi (Baylor) and baseball's Tyler Floyd (Texas Tech) picking up the latest honors in 2015-16. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 600 Academic All-America recipients, averaging about 30 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Twelve times in the past 12 years a league athlete has garnered the top academic honor for their respective sport, including Christina Hillman (Iowa State) in track & field/cross country in 2016.

The Big 12 can take pride in other stories that combine on and off the field success. In the fall of 2013, former Texas Tech track and field student-athlete Ifeatu Okafor was named the Big 12's first NCAA Woman of the Year. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008 while Imani McGee-Stafford (Texas) was honored in 2015. It is given to an outstanding female college athlete who overcomes adversity to excel in her sport. Oklahoma State women's basketball was the inaugural recipient of the "Together We R" Team Award in 2012, recognizing programs that have strived to succeed in the face of adversity. Following a devastating tornado south of Oklahoma City just before the Big 12 Baseball Championship in 2013, several league baseball teams along with other student-athletes, coaches and former Conference players contributed help in a variety of ways. Plus, the Conference contributed \$200,000 to the relief efforts. In the fall of 2014, Oklahoma football student-athlete Sterling Shepard and head coach Bob Stoops were honored with the Disney Sports Spirit Award while Kansas football student-athlete JaCorey Shepherd received the Lee Roy Selmon Community Spirit Award. Ty Darlington (Oklahoma) earned the 2015 Wuerffel Trophy which recognizes community service along with athletic and academic success.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 381 scholars have received over \$2.7 million in postgraduate financial aid through the first 20 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference conducts postseason championships for 20 of its 23 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

In its first 20 years, the Big 12 has distributed approximately \$2.6 billion to its member institutions, including a record \$30.4 million per institution in 2015-16, an increase of 20 percent over the previous year. The Conference office is headquartered in Irving, Texas.

## 2016 PHILLIPS 66 BIG 12 BASEBALL CHAMPIONSHIP

May 25-29 | Chickasaw Bricktown Ballpark | Oklahoma City, Okla.

The Phillips 66 Big 12 Baseball Championship returns to Chickasaw Bricktown Ballpark in Oklahoma City for the 2017 season.

The Big 12's top eight teams from regular season play will descend upon Oklahoma City and play in the home of Minor League Baseball's Oklahoma City Dodgers (Triple-A, Pacific Coast League) from May 24-28.

Previous championships have set almost annual attendance records while playing at four sites to date: All-Sports Stadium (1997) and Bricktown Ballpark (1998-2001; 2003; 2005-14; 2016) in Oklahoma City, ONEOK Field in Tulsa, Oklahoma, and Rangers Ballpark (2002, 2004) in Arlington, Texas.

Past championship winners include Kansas (2006), Missouri (2012), Nebraska (1999-2001, 2005), Oklahoma (1997, 2013), Oklahoma State (2004), TCU (2014, 2016), Texas (2002-03, 2008-09, 2015), Texas A&M (2007, 2010-11) and Texas Tech (1998).

### CHAMPIONSHIP FORMAT

For the sixth time in the last seven years, the Phillips 66 Big 12 Baseball Championship will feature a double-elimination format. The top eight teams in the league standings at the end of the regular season will be split into two four-team pools and will use double-elimination to determine a winner in each pool. Those winners will meet in a one-game championship game.

The Championship will start on Wednesday with four games followed by four games on Thursday. The Friday and Saturday schedules will be determined by the number of games needed to determine winners in each pool. The championship game will be held on Sunday.

From 2006-10, the Big 12 Baseball Championship used a pool play format and the winners of each pool met in the championship game. The Big 12 baseball coaches wanted to make the change for two reasons. First, the double-elimination format

mirrors what is used in the NCAA tournament. Second, the four-team pool play format was determined by head-to-head records and, from time to time, the championship game participants were determined on Friday, deeming Saturday's games useless in terms of championship results.

In 2013, the pool play returned due to devastating tornadoes hitting Moore, Okla. and the greater Oklahoma City area. The start of the tournament was pushed back one day and held over four days as opposed to the usual five.

### CHAMPIONSHIP HISTORY

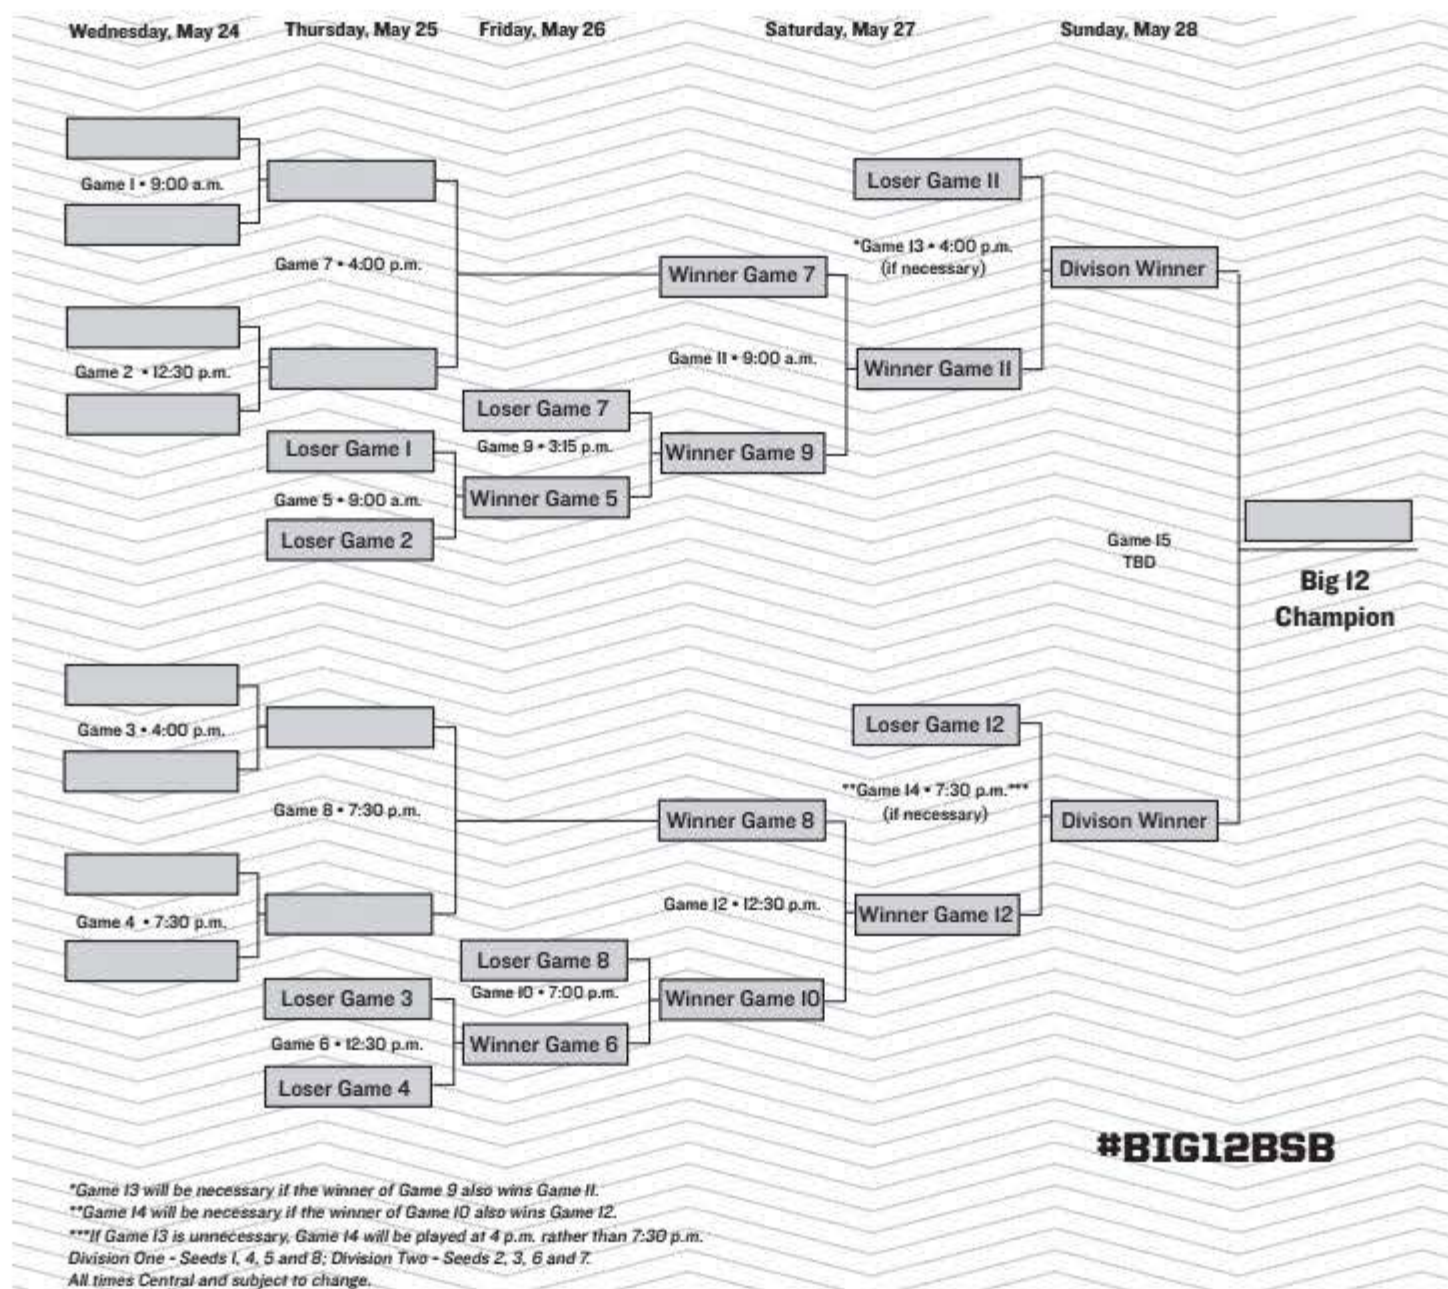

The state of Oklahoma has hosted the Big 12 Baseball Championship in all but two years of the conference's history. Oklahoma City has been the home of the tournament for 16 of those 17 years.

In 2002, the Championship moved to the largest postseason venue, with the exception of football and outdoor track & field, in Big 12 history. Rangers Ballpark in Arlington, Texas, home of MLB's Texas Rangers, set a record with 150,196 tickets sold in 14 games. In the two years (2002, 2004) at Rangers Ballpark, the tournament had 275,824 tickets sold for 27 games - an average of more than 10,000.

The Championship has received consistent television coverage over the years, with this year's tournament scheduled to be broadcast on FOX Sports and FOX Sports 1. FOX Sports and its regional affiliates have carried each title game while numerous other games have been available via the Big 12 website over the last three seasons.

# PROGRAM HISTORY

**FIRST GAME [1897]**

April 10, 1897: Kansas Agricultural College played and won its first game in Fort Riley, Kan. Head coach H.W. Wagner led the Aggies to a 4-3 win over Fort Riley. The following is an account of the first game as told by the April 14, 1897 edition of the K.A.C. Students' Herald.

*The baseball team crossed bats with the Fort Riley team at Fort Riley, April 10, in the first game of the season. The game resulted in a victory for the college team, the score standing at the close of the ninth inning 4 to 3 in favor of the K.A.C. The game in detail was as follows: first inning, first half, Crooch in the box, Davis catching for Fort Riley. Noble at the bat sent a fly to third and was put out on first.*

*Second half Hank Wagner in the box, Doc Wagner catching for the college. Consiudine at the bat sent a ball to the pitcher who makes a wild throw to first and Consiudine scores a run. Fann sent a fly to center field and was caught out. Mearns made first on an error by third. Hayward was put out on first and Mearns on third. In the second and third innings neither side scored.*

*In the second half of the fourth inning Mearns scored an earned run, the score then standing Fort Riley 2, K.A.C. 0.*

*In the fifth inning Menke and Poston each scored a run for the college team and Davis scored for the Fort Riley team.*

*In the sixth inning Ashbrook went out on first; Cheadle scored on an error by first.*

*Green made first; Poston made first and Green made second on an error by left field. Menke sent a fly to third and was caught out. H. Wagner struck out leaving Green and Poston on bases.*

*Fann and Mearns both went out on fouls which Doc Wagner nailed handsomely, the inning closed with the score standing Fort Riley 3, K.A.C. 0.*

*In the seventh inning, Doc Wagner was put out on first. Noble went out on a foul; Dial made a base hit and scored a run, Cheadle sent a fly to the pitcher and was caught out leaving Ashbrook on base. Fort Riley made no score.*

*In the eighth and ninth innings neither side scored, the result was K.A.C. 4, Riley 3.*

*Both teams played well, both have had the same difficulties in regard to practice, Saturday's game was the first time that either nine had played together.*

*The college team had by far the best battery. The college team was rather weak at the bat but this will soon be remedied by practice.*

**FIRST HOME RUN [1897]**

May 1, 1897: In the ninth inning of the game against Chapman High School, K.A.C. second basemen Whitelock stepped to the plate. According to the K.A.C. Students' Herald,

*"When Whitelock stepped to the plate in the ninth inning there was a look of determination on his face and when the ball crossed the plate he met it squarely sending it into the deep right field for a home run."*

This was the first home run in the school's short four-game history.

**WILDCATS PLAY CHICAGO CUBS [1905]**

The team, which included the Cubs' most famous double play combination of all-time, Tinker, Evans and Chance, was on their way back to Chicago after completing spring training in Arizona and stopped off to play the Aggies. No box score remains, but the Cubs did win, 13-0.

18-7 victory over his alma mater, Missouri Western, at Frank Myers Field, surpassing Phil Wilson (138) for K-State's career lead in coaching victories.

#### **WILSON NAMED BIG 8 PLAYER OF THE YEAR [1992]**

May 18, 1992: Shortstop Craig Wilson became the first-ever Wildcat to be named Big Eight Player of the Year. The holder of numerous school records, Wilson was named a first team All-American in 1992 by Baseball America after leading the team with a .416 batting average, 54 runs scored, 62 RBI and eight home runs. Wilson was later named to the 1992 Olympic Team which captured the bronze medal.

#### **POEPARD BREAKS HR RECORD [1997]**

April 30, 1997: Designated hitter Scott Poepard hits two home runs in Kansas State's 11-1 victory over Bethany and became K-State's career home run leader with 31.

#### **FRANK MYERS FIELD RENOVATED [1998]**

After the final game of the season a ground breaking ceremony was held to begin the renovation of Frank Myers Field. The press box and grand stands were torn down and a new playing surface was installed. Every facet of the stadium would be improved by the 2002 season in the \$3.1 million dollar renovation, including a new press box with luxury suites, a 3,150-square-foot locker room complete with team and training rooms.

#### **THE 55-GAME ROAD TRIP [1999]**

After delays, renovation was slowed and the playing surface of Frank Myers Field was not complete. The 1999 Wildcats would play a 55-game schedule without a home field, thus meaning 44 games were played outside the

city limits of Manhattan, Kan. On the year, the team travelled 17,500 miles and played at 19 different sites.

#### **WEISHAAR SETS BATTING RECORD [1999]**

Sophomore Kasey Weishaar finished with a single-season record .429 batting average. Over the 55-game season, Weishaar never went more than seven at-bats without a hit. For his outstanding season, Weishaar was selected to the All-Big 12 first team.

#### **K-STATE BASEBALL CELEBRATES 100 YEARS [2000]**

Kansas State celebrated the 100th year of Wildcat baseball during the 2000 season. In celebration of the centennial of the sport, university officials had an All-Century Celebration Weekend on May 5-7 during the three-game series with Kansas. The celebration weekend included a golf outing for former lettermen at Colbert Hills Golf Course in Manhattan and a cookout for friends and family prior to Friday's game. The university also named 21 players to the All-Century team and introduced them individually prior to Saturday's game. The players were formally honored at the All-Century Dinner that evening.

#### **CLARK EARNS MILESTONE WINS [2002]**

March 18, 2002: Head coach Mike Clark became the first K-State coach in any team sport to post 400 wins, earning his 400th win in the Wildcats' 8-7 win over UW-Milwaukee. He would earn career win No. 700 at Texas Tech on April 7. He is the fourth-longest tenured coach in school history.

**CATS ADVANCE TO FIRST  
BIG 12 TOURNAMENT [2002]**

May 12, 2002: After winning the first two games against Missouri, a rainout on Sunday gave the Wildcats their first trip to the Big 12 Tournament after three years of heartbreaking close calls. In its first postseason trip since the 1996 season, Kansas State proved its medal against the best, overcoming a 12-inning loss to nationally-ranked Texas Tech in the opening game to post back-to-back upsets of nationally-ranked Baylor and the Red Raiders before losing to eventual tournament runner-up Nebraska in the semifinals. With the win over Texas Tech, K-State achieved a 30-win season for the ninth time in school history and for the first time since 1997.

**HILL NAMED 20TH HEAD COACH  
AT K-STATE [2003]**

June 3, 2003: After an ultra-successful nine-year stint as the head coach at Central Missouri State in Warrensburg, Mo., Brad Hill was named the 20th head baseball coach at Kansas State. The winningest Division II coach in the nation, Hill guided the Mules to an impressive 418-91 (.821) overall record during his nine-year tenure. The seven-time Central Region Coach of the Year, Hill led the school to the NCAA Tournament each of his nine seasons, including seven trips to the College World Series and a national title.

**CATS KNOCK OFF NO. 1 TEXAS [2005]**

April 3, 2005: Kansas State rallied for two runs in the seventh and one more in the ninth and withstood a Texas rally in the ninth as the Wildcats knocked off the top-ranked and eventual national champion-Longhorns, 5-3, in the final game of a three-game series before 5,150 fans at Disch-Falk Field. The win was the first-ever for the Wildcats over a top-ranked team and the first over Texas in 17 tries.

**K-STATE ADVANCES TO  
BIG 12 TITLE GAME [2008]**

May 21-25, 2008: Kansas State, playing in just its second-ever Big 12 Championship, traveled to Bricktown Ballpark winners of its last three games. The Wildcats kept the momentum going as they defeated No. 6 Oklahoma State, 3-2, to open the tournament, but then lost to No. 7 Nebraska, 5-2. On Saturday, Nebraska dropped its game to Oklahoma State, which meant K-State needed to defeat Baylor to advance. The Cats, down 2-1 in the bottom of the sixth, scored a pair of runs and held on down the stretch to move on to the program's first title game appearance.

**CATS SET SEASON MARK FOR WINS, EARN  
FIRST NCAA TOURNAMENT BERTH [2009]**

May 29-June 1, 2009: Kansas State recorded its most successful season in school history by winning a program-record 43 games and earned a spot in its first ever NCAA Regional. K-State also set a school-record with 14 Big 12 victories and finished fourth in the conference, its highest league finish since 1995. With the ultra-successful season, the Wildcats were ticketed to Reckling Park on the campus of Rice University for its first ever regional. The Wildcats won its first regional game, a 16-8 victory over Xavier. Kansas State then faced host school and No. 6 ranked Rice in what could be labeled the biggest win in program history when the Wildcats topped the Owls, 7-6, to advance to the regional final. And although the Cats dropped the next two games to end the season, the Wildcats can look back at the 2009 campaign as the one that reset the bar in terms on success in baseball at Kansas State.

**HILL MORRIS GRAB NATIONAL HONORS [2009]**

Head coach Brad Hill earned Big 12 Coach of the Year honors, becoming the first Kansas State coach since Mike Clark in 1990 to be named conference coach of the year. Hill guided Kansas State to a 43-win season, including 14 conference victories to finish fourth in the league, all school bests. The Wildcats also earned their highest ranking in school history as they were No. 10 in the Baseball America Top 25 earlier in the season. Junior right-handed pitcher A.J. Morris was named the Big 12 Pitcher of the Year and was the school's first ever consensus All-American after setting the school record with 14 victories and the seventh-lowest ERA at 2.09.

**CATS GO TO SECOND STRAIGHT  
REGIONAL, MARTINI NAMED  
BIG 12 PLAYER OF THE YEAR [2010]**

Kansas State followed its best season in program history with another NCAA Tournament berth as the Wildcats finished with the second-most wins in school history with 36. K-State also recorded its highest ever finish in Big 12 play as it finished third and tied the school record with 14 conference victories. Leading the way for K-State was sophomore Nick Martini, who was named the Big 12 Player of the Year. The outfielder also earned second team All-America honors as he led the Big 12 with a .416 batting average - which was tied for fifth in school history - and he also led the league in conference-only games with a .433 mark - the eighth-highest mark in Big 12 history.

**K-STATE SELECTED FOR  
THIRD STRAIGHT SEASON [2011]**

The Wildcats advanced to their third straight and third-ever NCAA Regional when they were

an at-large selection yet again. Kansas State finished with the third-most wins in school history with 35, thanks to a late-season run. K-State was just 20-15 overall and 5-10 in conference play before finishing the regular season with a 16-8 overall record and a 7-4 mark against Big 12 foes. The streak included a three-game sweep of Kansas as the Wildcats improved their record against the Jayhawks to 15-3 over the previous 18 meetings.

**A SEASON OF RECORDS AND FIRSTS [2013]**

K-State embarked on a run no Wildcat team had seen before. In the first game of a home series against Oklahoma in mid-May, the Wildcats captured their first Big 12 title in program history - which was also the first conference title for K-State baseball in 80 years. The Wildcats hosted their first Regional at Tointon Family Stadium and advanced to the program's first Super Regional. The season was ended in game three of the Super Regional at Oregon State, but the Wildcats still managed to win 45 games - the most in school history. K-State also set program-bests in several categories, including hits (708) and saves (19).

**K-STATE DOMINATES ALL-BIG 12 AWARDS [2013]**

Junior second baseman Ross Kivett was named Big 12 Player of the Year, highlighting a program-record seven players on the All-Big 12 First Team. Brad Hill garnered his second career Big 12 Coach of the Year award while freshman relief pitcher Jake Matthys was named Big 12 Freshman of the Year.

**CATS RETURN TO POSTSEASON [2015]**

After missing the Big 12 Baseball Championship in 2014 and featuring a roster of 22 newcomers, K-State returned to the Big 12's postseason tournament after finishing sixth in the conference standings. Key series wins over No. 3 TCU in Manhattan and at Baylor (a program first) helped catapult K-State beyond the regular season.

**HILL ECLIPSES 400 WINS [2016]**

Head coach Brad Hill became just the second head coach in program history to reach the 400-win plateau with a 3-1 win over Milwaukee on March 12. Hill ended 2016 with 416 career wins as the Wildcat skipper, 20 wins shy of becoming the winningest head coach in program history.

## ELDEN AUKER (1910-2006)

Pitcher | 1933-42

Detroit Tigers

Boston Red Sox

St. Louis Browns

Taking it in stride. That expression pretty well describes Elden Auker's approach to life. He's had quite a life to handle, covering 87 years and enough significant achievements to fill many people's portfolios.

Auker played football, basketball and baseball at Kansas State in the late 1920s and early 1930s, and he was selected as an all-American in all three sports. After graduation, he had offers to play professional football and baseball. He chose baseball, and embarked on a 10-year major league career.

On his first visit to venerable Yankee Stadium in New York, the first batter he faced was none other than Babe Ruth, whom Auker struck out on four pitches. He also played with or against numerous other Hall of Famers in a career with the Detroit Tigers, Boston Red Sox and St. Louis Browns.

Even at age 88, Auker still was competitive, as can be attested by the fact that he played golf three times a week. In a sport in which it is every participant's goal to shoot his age, Auker has made a habit of it, recording the feat 20 times in a row at one point. And his exploits have earned fans of all ages and circles, including a former President of the United States, who came to Auker and asked if he remembered him.

It's just another day in the life of Elden Auker.

Auker grew up in Norcatur, in northwest Kansas, where he was coached in football by Pete Peterson, an alum of the University of Nebraska. "He said, 'They'll get you a job if you'll go to Nebraska. I think you ought to go there,'" Auker said. "But I played in a basketball tournament in Norton against Almena, and we beat them, 10-9. (Those were the days when defense was everything.) I scored nine of the 10 points in that game. The referee in that game was Charley Corsault, the basketball and baseball coach at Kansas State.

"After the game he talked with me about going to Kansas State. He gave me quite a talk on it. He said, 'I'll get you a job. But I think you owe it to Kansas; you're a Kansas boy. If you go to Nebraska, you're not being loyal to your home state.' I was young and I thought a lot of Kansas, so I decided that was where I should go."

Among the sports he played at K-State, he liked football the best. "I just liked the physical contact, I guess," he said. He played quarterback and halfback on offense and safety on defense. "I got as far away from the action as I could on defense, but I got plenty of contact back there on punts and passes."

Despite all the success Auker had, his most vivid memories of his K-State playing days were two losses. In 1931, the Cats were 5-0 and bound for a possible berth in the Rose Bowl, the only postseason bowl game in existence at that time. They had won their first five games by a total score of 94-14, including three straight shutouts against Kansas, Oklahoma and West Virginia. But late in the contest against West Virginia, an injury to Ralph Graham, one of the other stars on that team, left the Wildcats shorthanded.

The Cats lost their next two games, and Auker takes more than his share of the blame. "The third quarter of the Iowa State game was scoreless," he said. "I dropped back to punt (that was when the goal post was on the goal line) and I faked it. The end had been cutting in fast and almost blocked a couple of punts. So when he cut in, I faked a punt and ran 102 yards for a touchdown. That put us ahead 6-0. Henry Cronkite, who was doing the place kicking, missed the point after touchdown.

"In the fourth quarter I was playing safety. The guy got behind me and they threw a pass over my head for a touchdown. I tipped the ball, but the guy still caught it and fell over the goal line. They kicked the point and beat us 7-6. The Kansas City Star came out the next day and said, 'Auker hero and goat.' That's one I remember.

"The next game was against Nebraska. We had Nebraska beat, 3-0, with 27 seconds left to play. I punted a ball, trying to kick it out of bounds down the right-hand side of the field. Nebraska put in a little guy who caught it right on the sideline. The guys thought he was out of bounds, but he wasn't, and he ran 80 yards for a touchdown and they beat us, 6-3. Those two games I remember. I always remember those bad things. The good things are just kind of taken in stride, but those bad things, you never forget them."

Auker remembers a lot about his K-State days, even though they occurred more than

65 years ago. He recalls working his way through school cleaning a drug store for \$1 a day. "In those days, they didn't pay you any money for signing," he said. "They gave athletes jobs. I got a job cleaning out the drug store every morning, sweeping it and mopping it. I did that for four years for \$1 a day. And that got me through school. In those days, you could buy breakfast for 15 cents, dinner was about 35 cents. I worked in the harvest fields in the summertime and I pitched baseball and made a little money."

After graduation, he was offered a contract for \$6,000 (\$500 per game) by the Bears. "That was back in 1932 when times were tough," he said. "That was a lot of money."

In 1932, there was no Deion Sanders to follow and no agents to negotiate, and Auker was forced to make a choice. "I graduated on June 1 and went directly to Detroit," he recalled. "When I got there, I reported to Mr. Navin, who owned the Tigers. In our first conversation he said, 'I understand that you have an opportunity to play football this fall.' I said, 'Yes. I've been offered a contract with the Chicago Bears.'

"He said, 'We think you have the possibility of being a major-league pitcher, but before you come up here, we've got to send you to the minor leagues. We're going to have to invest money in training you and getting you ready for professional baseball.'

Auker possessed a good fastball and a good curve. But a football injury to his shoulder prevented him from throwing overhand. His first manager in the minors, Bob Coleman, convinced him to try pitching underhand, instead of sidearmed. After practicing for awhile, Coleman told Auker he wanted to give him some game action so Auker was going to pitch nine innings, regardless of his performance. He pitched a shutout, winning 1-0, and never threw overhand again.

He made the majors the next year. His catcher that year with the Tigers, Ray Hayworth, still is living in North Carolina. Auker and Hayworth form the oldest living battery in baseball. Hayworth was behind the plate when Auker came to the mound in a relief role in Yankee Stadium to face Ruth. "Bucky Harris was our manager," Auker said. "He said to me, 'Elden, you go to the bullpen, and if I need you, I'll call you in.' We had a left-handed pitcher named Carl Fisher. He got into the third inning and got in trouble. So the phone rang, and they called me in from the bullpen. The hitter was Babe Ruth. I threw four pitches to him, and struck him out.

"I didn't think anything about it. All I was trying to do was get him out, and I went from there. I had to get him out before I could do anything else. I later played golf with him for a couple of years down in Florida. He was a good personal friend. He told me, 'I didn't like your style of pitching. It bothered me.'"

Auker also was friends with another Yankee Hall of Famer, Lou Gehrig. The two players often wrestled for fun in the common hallway between the two locker rooms at Fenway Park. Until one time when Auker caught Gehrig by surprise. "I grabbed him. Usually he just lifted you off the ground and you started just bearhugging," he said. "This time, he just folded up. He said, 'Don't do that.' I helped him get up and said, 'What's the matter with you?' He said, 'I've got something wrong with me. I don't have any strength. I can't hit the ball out of the infield. I don't know what's wrong with me.' He said he had begun to notice it the previous winter. He had a lousy spring and by the time they got to Boston, he wasn't doing well at all. He played a couple of innings that day and he took himself out. Then the next day, he played a couple more innings, and took himself out. They went to Detroit, and that's when he left the team and went to the Mayo Clinic. That was the last time I saw him."

The list of former teammates — Ted Williams, Hank Greenberg, Mickey Cochrane — is a list of some of the all-time greats of the game.

In 1935, he opened the World Series against the Chicago Cubs and was interviewed by a young reporter from WHO in Des Moines, Iowa, named Ronald Reagan. Twenty-five years later, Reagan, then the governor of California asked Auker if he remembered him. "I thought he had it turned around, but he remembered interviewing me," Auker said.

Auker's athletic exploits are limited to the golf course these days, though he plays like someone much younger. His history has earned him a place in several Halls of Fame, including K-State's and the state of Kansas.

"I was the first member to be elected into the Kansas State Sports Hall of Fame," he said. "They hold a banquet whenever they have someone to go in, and Mrs. Auker and I always go. We have a great time. We don't see many old friends, because there are not many of them left, but we see some new friends that we've made."

Even the fact that he has outlived most of his contemporaries doesn't bother Auker. He just takes it all in stride.

### CARLOS TORRES

Pitcher (2009-10, 2012-16)

Chicago White Sox, Colorado Rockies, New York Mets, Milwaukee Brewers

Since making his Major League debut in 2009 with the Chicago White Sox, Carlos Torres has earned a steady role in the New York Mets bullpen. The right-hander spent the entire season with the Mets in 2014, his first full year in the bigs, and he rewarded New York with career-highs in wins, appearances, innings pitched and strikeouts. The journey with the Mets started in 2013 when he earned a call-up after he started the year with Triple-A Las Vegas. The former minor league free agent had to carve his way back into the big leagues after spending 2011 pitching in Japan, joining the Colorado Rockies organization in 2012. As was the case in 2013, Torres performed well at the Triple-A level to graduate to the Majors for better part of the season, making 31 appearances with the Rockies. Torres spent his first two Major League seasons with the White Sox, making 13 combined appearances over 2009 and 2010. His first career win was with the White Sox against the cross-town rival Chicago Cubs on Sept. 3, 2009, which was a month-and-a-half after he made his Major League debut on July 22, 2009 against the Tampa Bay Rays. With the Brewers in 2016, Torres posted a career-best 2.73 ERA in 72 appearances.
